Kid-Friendly Bullet Points

- These are cool little photo frames that you can use to hold your favorite pictures!
- One has pink roses, one has green swirls and skulls, and one has a leopard print.
- You can slide a photo inside and then put it on your desk, shelf, or give it as a gift!
- They have fun and colorful designs to match your style or room.
- Great for showing off pictures of your family, pets, or best friends!
